Inauguration of Indian Cooking Class Series

The Indian Cooking Class Series was inaugurated today by H.E. Ambassador Dr. Piyush Singh and Madam Dr. Priyanka Singh at the Embassy of India premises with the Indian tradition of lighting of lamps, with light symbolising *knowledge*.

The inauguration took place in the presence of Paraguayan nationals who also participated in the first session of the Series held today in which cooking of 'Shahi Paneer' was taught. It included a presentation, followed by cooking demonstration and tasting session.

In the Indian Cooking Class Series, an attempt is being made to use ingredients that are easily available in Paraguay for cooking Indian cuisine, so that the participants are able to cook the recipe they learn at their home, and the learning becomes sustainable.

The 'Indian Cooking Class Series' aims to strengthen the bilateral cultural links between India and Paraguay in this special year when India and Paraguay celebrate 65th anniversary of the establishment of India-Paraguay diplomatic relations.
