SOMS 2025 International Expo & Conference 3-4 July, 2026, Gujarat

Soluble Fertilizer Industry Association (SFIA), is organizing the SOMS 2025 (Soluble & Organic Fertilizers, Micronutrients & Stimulants) International Exhibition & Conference from July 3rd to 4th, 2026, at the Helipad Exhibition Centre, Gandhinagar, Gujarat, India.

SOMS 2026 aims to empower Indian MSMEs, foster global collaborations, and address India's reliance on fertilizer imports. With India depending on imports for nearly 70-80% of its soluble fertilizer needs, this event provides a critical platform to address supply chain challenges and encourage sustainable solutions. It offers international companies an unparalleled opportunity to connect directly with Indian MSMEs, buyers, distributors, and policymakers, facilitating meaningful trade partnerships and market expansion.
